# Auction Rules

This catalog contains only the items donated at the time of printing.

## **Silent Auction**

Each item has a bid sheet. The minimum bid and minimum raise for each item are written on the bid sheet. To be valid, bids must comply with these minimum standards and be legible. Please write your name and phone number and your bid amount on the first available line. Doing so constitutes a legal contract to purchase that silent auction item at the price you stated if your bid is the winning bid. The last (highest) valid bid entered prior to the section closing will be the winning bid. The Auction Committee reserves the right to withdraw any item at any time without notice before the actual sale. In the event of a dispute, the Auction Committee shall act as final authority in determining the winning bid.

## **Live Auction**

To enter a bid, promptly raise your hand high in the air so that the auction spotters can clearly see you. Minimum bids will be set for each item and announced by the auctioneer. Live auction items will continue until all items are sold. If a group is bidding on one item, please designate one person to place your combined bid. Auction items will be awarded to one purchaser only. Live auction item bid increase increments will be determined by the auctioneer. The auctioneer will acknowledge bids and the winning bidder at his sole discretion. He may choose to offer an item again in the event of a dispute. Once the auctioneer determines a winning bid, the title to the item passes to that bidder. That bidder then assumes all responsibility for the item and is liable to pay the full purchase price of the item the night of the auction. It is the responsibility of the purchaser to locate and remove his/her winning item(s) by the end of the auction if needed.

## **Terms of Sale**

All sales are final. There will be no exchanges or refunds. Belleview Elementary School and/or Belleview Elementary PTCO does not make any expressed or implied warranties or guarantees on auction items regarding quality or value of items or services. We have attempted to describe and catalog all items correctly, but all items are offered and sold "AS IS" and "WITH ALL FAULTS". Beverages, tips, and taxes are not generally included in restaurant gift certificates unless otherwise noted. No statement made in this catalog or made orally at the auction or elsewhere shall be deemed such a warranty for tax purposes or market value. Items have not been appraised unless otherwise noted. By the buyer's purchase, the buyer waives any claim for liability against Belleview Elementary School and/or Belleview Elementary PTCO, its elected and appointed officers, members and employees, sponsors, volunteers connected with the auction, and/or the donor of the item. Neither Belleview Elementary School, Belleview Elementary PTCO nor the donor is responsible for any personal injuries or damage that may result from the use of the property or services. Please inspect items and certificates carefully and note any exceptions and/or restrictions that may apply.

## **Payment Procedures**

All sales are final. All items must be paid for by the end of the evening. For your convenience, we gladly accept Cash, Check, Mastercard and Visa. Once you have paid for your winning items, you will be issued a receipt. Please present this at the Pick Up Table to claim your winning tangible items and/or certificates for services. It is the responsibility of the purchaser to locate and remove his/her winning item(s) by the end of the auction.
