

HOLIDAY GIFTS FOR BELLEVIEW STAFF

The PTCO is offering the opportunity to contribute to a group gift for Specials Teachers, Teaching Assistants, KEP, Camp Belleview and Other Staff at Belleview using our Gift Card/Scrip program. The PTCO will collect the contributions, pool the money, and allow the individual staff member to pick their gift cards. Belleview will get back a percentage of the total money spent on the gift cards. A card with the names of the families who contributed will be given to each staff member along with their selected gift cards.

Contributions are completely optional. This program is being offered as a convenience to Belleview families who want to thank staff members and support the school through the Gift Card/Scrip program.

If you would like to contribute:

1. Identify those the individuals you would like to contribute to.
2. Donations are only available in increments of \$5. Please place a check mark or x by the individual's name or the amount of donation greater than \$5 you wish to make.
3. Write a check payable to Belleview Elementary PTCO for the total amount contributed.
4. Return your check with this completed form to the front office no later **than 3:30 PM on Wednesday, November 30, 2011** in order to give us time to order and distribute the gift cards before the winter break.
