**Westlands Park is located on Quebec street between Belleview and Orchard. The Park is next to the Greenwood Village Athletic Club. If traveling south from Belleview, it is on the right or West side of the street. If you hit Orchard, you've gone too far. If you come from I-25, you exit at Belleview, go west towards Quebec, turn left on Quebec, and continue to the Park on your right. Or, you can exit I-25 onto Orchard, continue west on Orchard to Quebec, turn right onto Quebec and then left into the Park which has an arch indicating its Entrance. We will be at the Middle Pavilion. After parking, as you face the Park, the Middle Pavilion is to the left down the path. There is a pond with a dolphin statute on the left (as you walk) and the Pavilion will be on the right.
