

# Thanksgiving Baskets

Beginning the week of November 7<sup>th</sup>, the Belleview Philanthropy Club and Belleview Student Council will host our annual Thanksgiving Food Basket Project. The goal is to prepare at least 45 packages with all the food needed for a complete Thanksgiving dinner. These packages will then be given to help Belleview families as well as families in the community during the holiday season.

**What Do We Need to Do?** Bring in a donation of the food item listed below for your grade level and put it in the collection boxes in your classroom. You can also donate \$10 King Soopers gift cards for the purchase of turkeys. These gift cards can be purchased at Belleview's Front Office.

**When Do We Bring In Our Items?** We will be collecting the food and gift cards from November 7<sup>th</sup> through November 18<sup>th</sup>.

**When Do We Prepare the Baskets?** After school on Friday, November 18<sup>th</sup> we will collect all the boxes from the classrooms and assemble the Thanksgiving packages. We will need many volunteers to help with sorting the food items and preparing the baskets. Please plan to meet in the gym that day to help with this fun and rewarding project!

## List of Needed Food Items:

5 <sup>th</sup> Grade:	Non-perishable dessert or dessert mix
4 <sup>th</sup> Grade:	Regular or sweet potatoes (fresh, boxes, or cans)
3 <sup>rd</sup> Grade:	Cans of vegetables
2 <sup>nd</sup> Grade:	Bread, cornbread, or muffin mixes
1 <sup>st</sup> Grade:	Stuffing (bags or boxes)
Kindies:	Cans of fruit

Thank you in advance for all your help on this project. The Philanthropy Committee:
