

Dear Families,

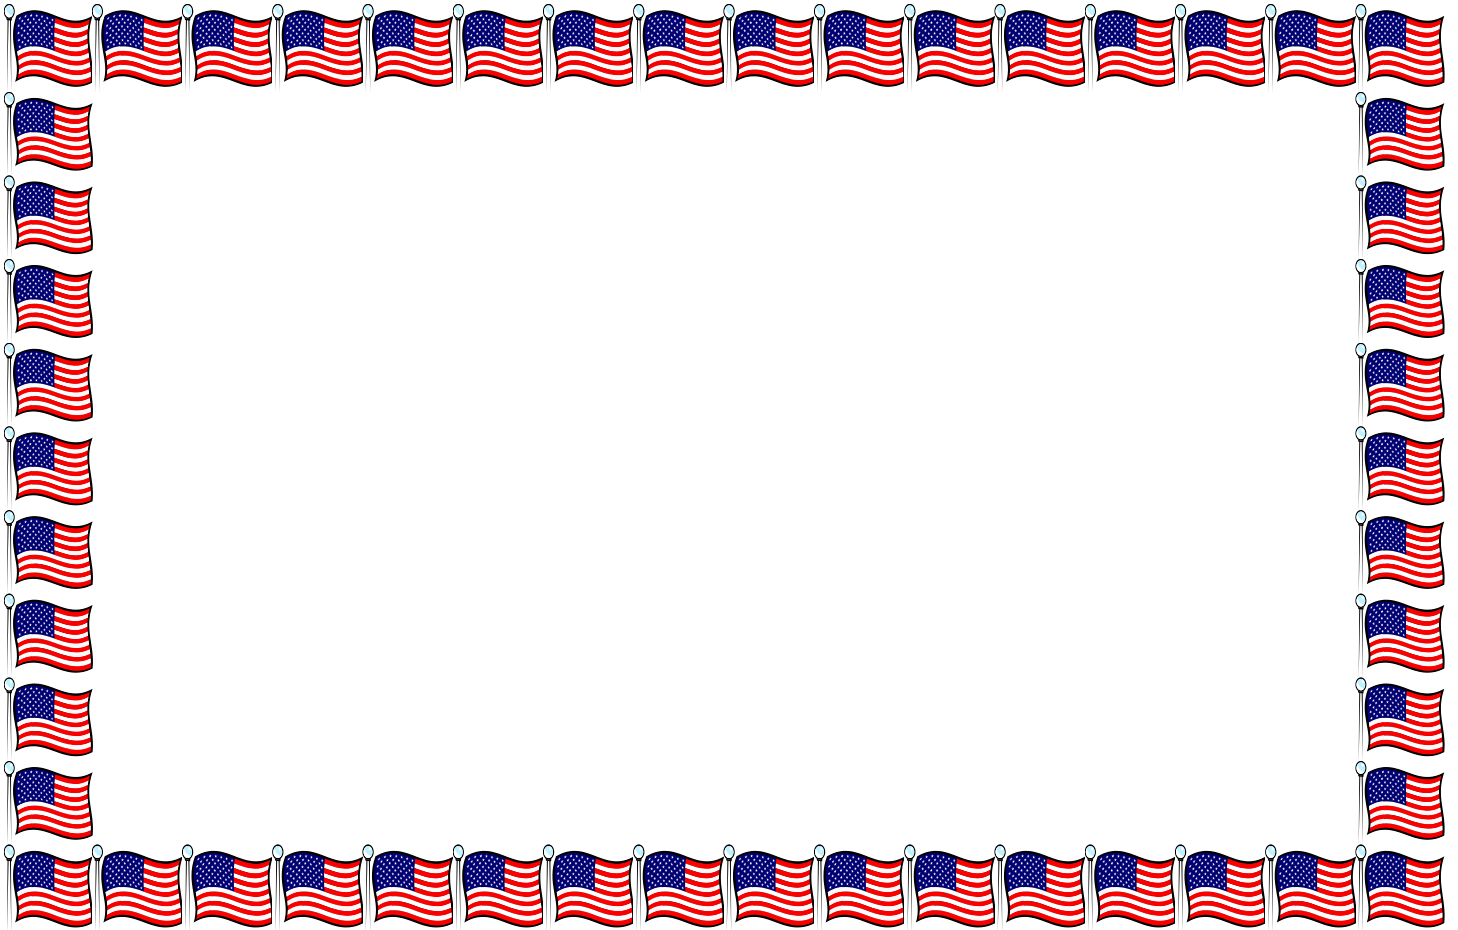

We wish to honor those friends and family members who have served our country in one of the many branches of the armed services. We will be displaying these posters in our main hallway.

Attached please find a form to use for honoring your special veteran or active service member (if you have already returned a form please disregard). Attach a picture of the veteran/service member in the top box (all photos will be returned in December), and fill in the appropriate information. The bottom of the form may be used to add information about what special thing(s) that veteran/service member has done, how much time that person served, or it may be used for the child to add why he/she is so proud of this person. This can be a family member or friend/neighbor.

We invite you to send the attached form to school with your child by Wednesday, November 2nd in order for us to prepare the displays to honor our wonderful veterans and active service members!

Thank you!

Bellevue Elementary Staff

My name is _____
(First and last name of Belleview student)

And this is a picture of my _____
(Mom-Theresa, or Grandpa Tom, or Uncle Richardo, etc.)

This special person in my life served in the Armed Forces for
the _____.
(Army, Air Force, Navy , Marines, Coast Guard)
